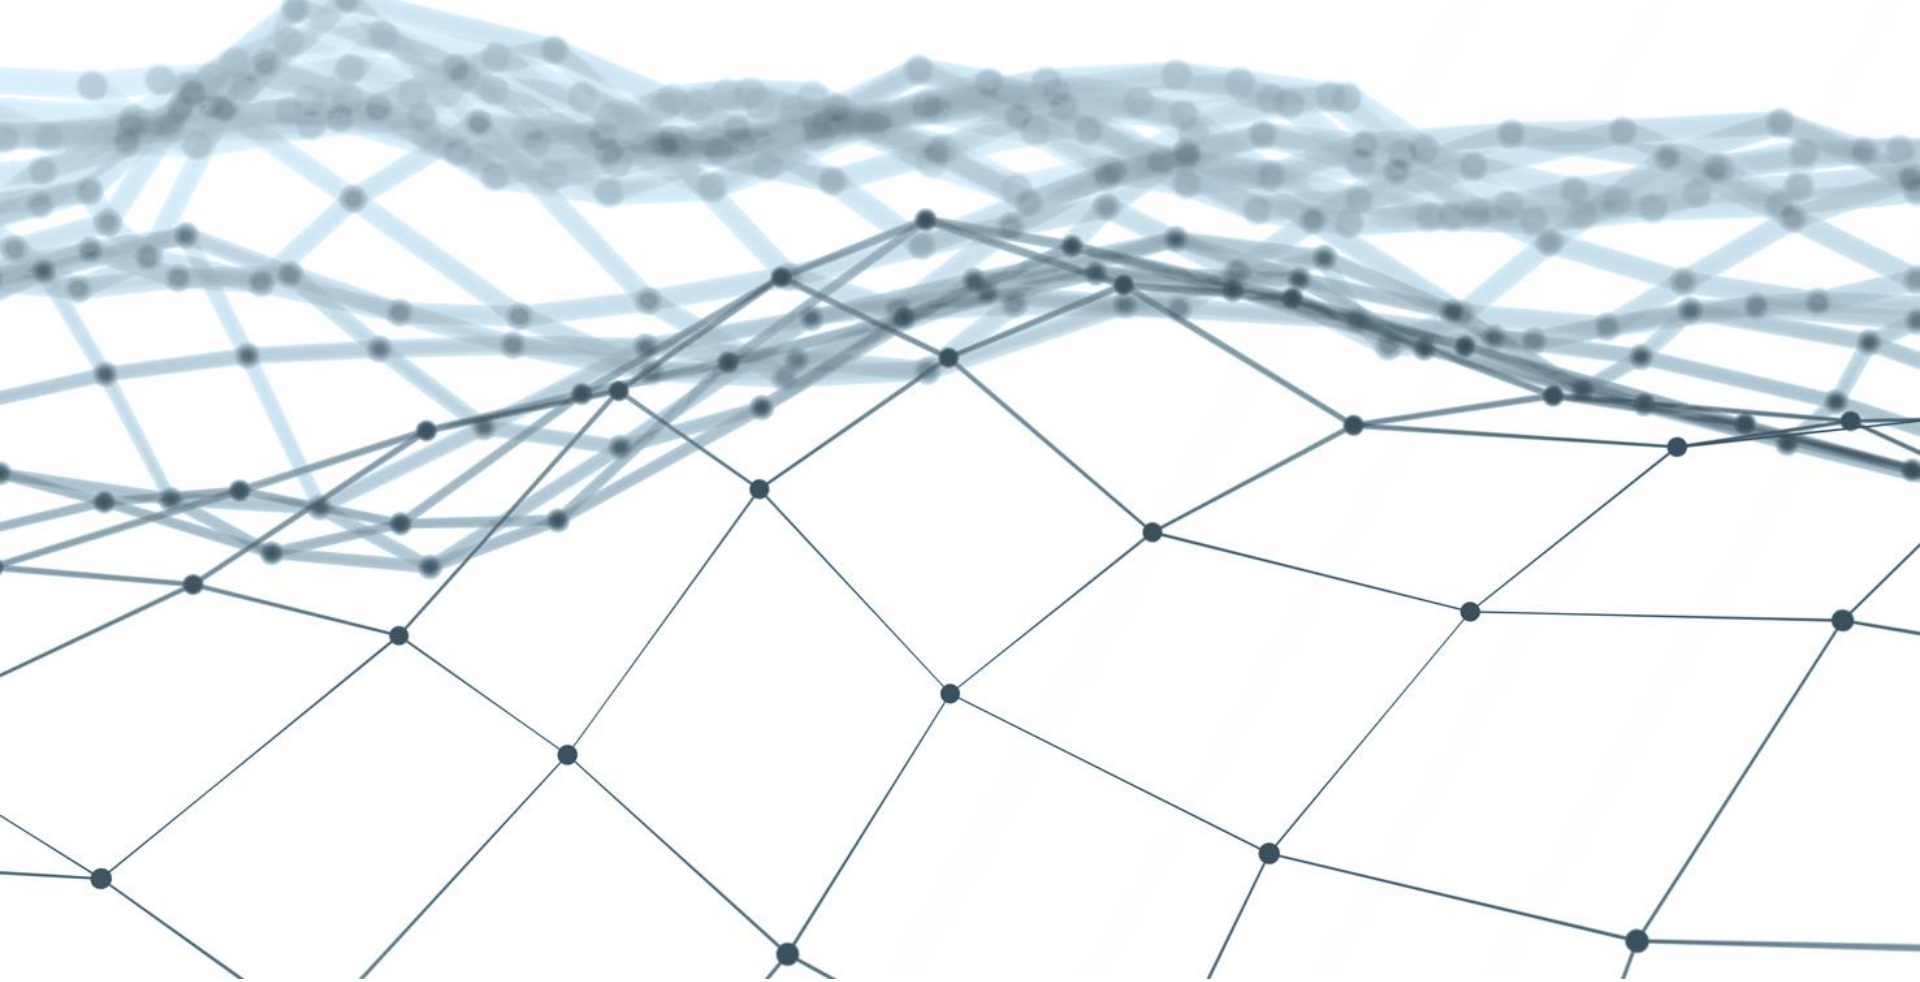
we are real

Arndt Johannes

3D virtuality
is the new reality



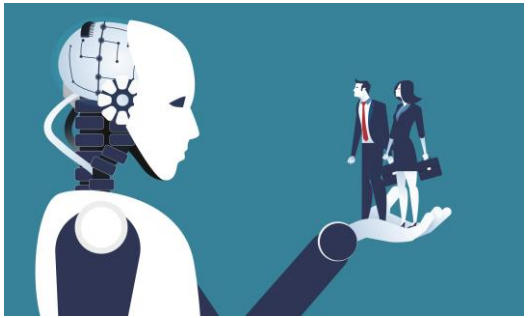
© vistapark group 2018

Virtuality will change the world.

Radical.

© vistapark group 2018

2018



2007

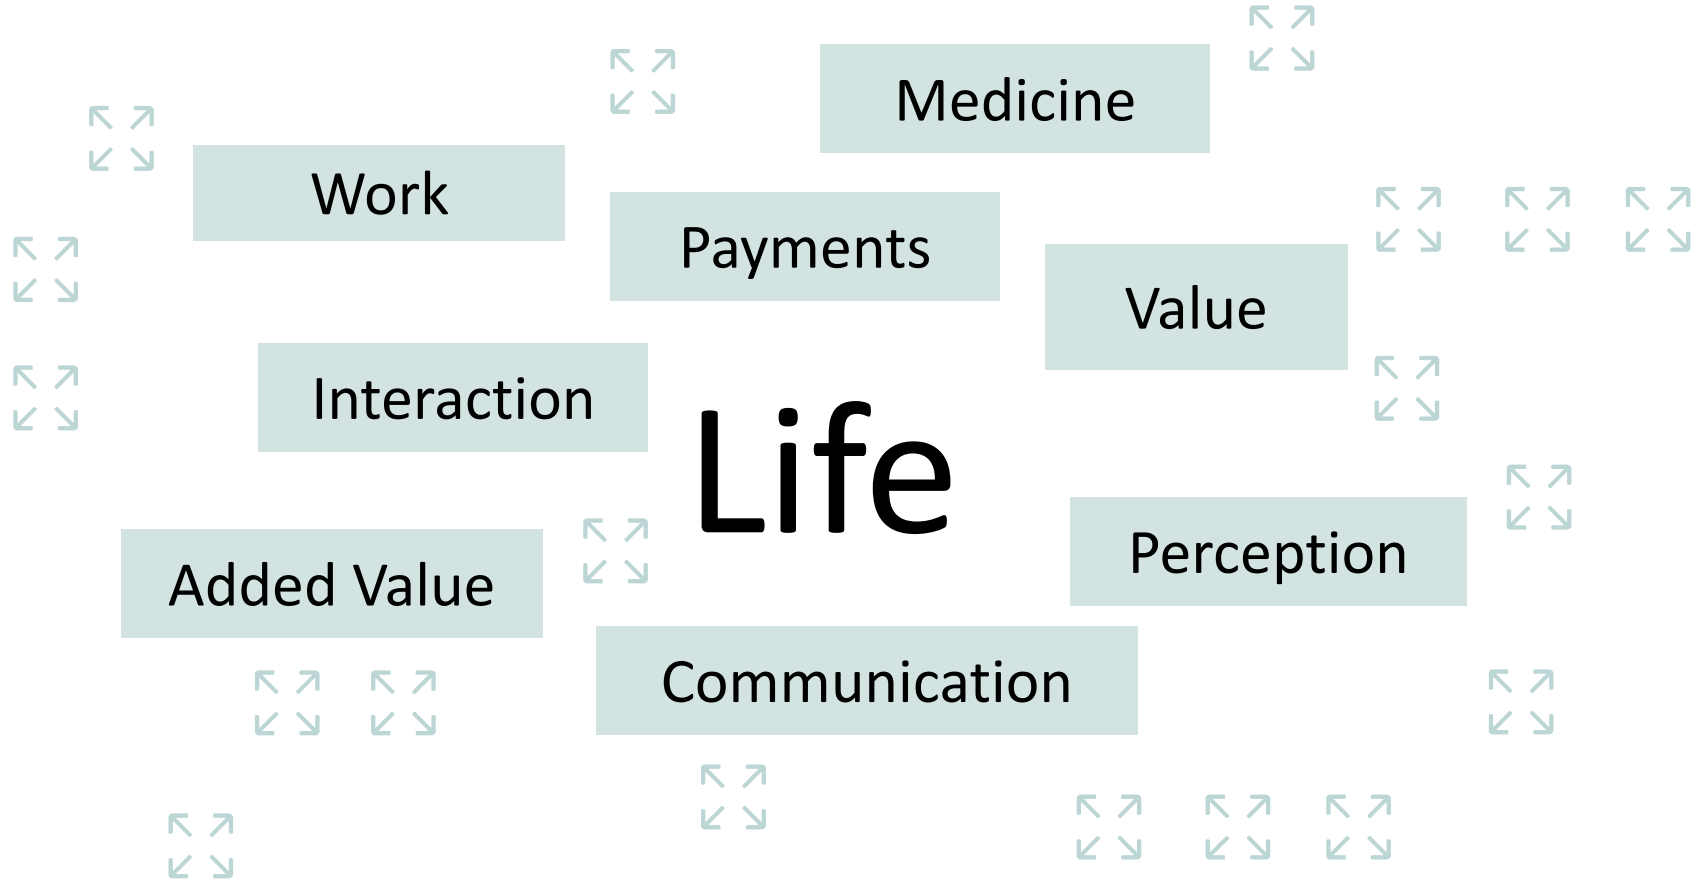
© vistapark group 2018

© vistapark group 2018

The virtual revolution has only just begun.

And it‘s more than gaming, AR and VR-technologies

© vistapark group 2018



© vistapark group 2018

It‘s not the question if?

Only when?

© vistapark group 2018

sooii

We digitalize premium manufacturers from architecture, furniture and design.

We consider us ourselves as a „strategic partner“ for the virtual content realization in high-end quality.
